

Grant Application

Advance America seeks to be part of the communities we serve, investing time and resources into the efforts of local charitable organizations around the United States. From small non-profit organizations to national advocacy foundations, Advance America promotes education, financial literacy, and involvement in the electoral process, among other programs.

The grants provided by Advance America assist with programs such as family financial literacy, scholarships and youth after-school activities. Organizations that request funds must provide services to one of these groups and instruction must be designed to meet the different learning preferences and needs of the target group.
